Summary Profile

Kushagra Arora is a partner and co-founder at the firm with more than eleven years of experience in settling disputes.

Kushagra has carved a niche practice consisting of public listed companies, renowned real estate developers and food and beverage groups, high net worth investors, family-owned business houses and limited liability companies, mostly having a global presence.

He is known for his proactive approach, where he proactively troubleshoots future disputes during contract negotiations and finds a way in which clients can navigate these differences. He's also worked as a pro bono arguing counsel for more than two years in High Court of Delhi, India.

Experience

Kushagra's vast experience in strategizing complicated disputes and out-of-court-settlements has enabled him to be at an advantageous position to represent the firm's clients in sensitive matters and seamlessly negotiate fair and profitable resolutions for his clients.

Focus Areas

Kushagra's expertise comes in handy for clients looking to settle disputes be it business-related, civil, criminal, and personal issues. He is also known for providing amicable solutions and counsel on matters pertaining to large real estate projects as well as global franchising opportunities.
